# Cherished Numbers Dealers Association

## Request for Valuation

The Cherished Numbers Dealers Association offers a certificated valuation service for vehicle registration marks. See the CNDA Valuation Service price list (above) for details.

You will receive a certificate which is accepted for insurance, probate or valuation purposes. All valuations will be undertaken on the basis of a current trade assessment unless the client specifically requests otherwise.

**PLEASE NOTE:** The valuation is provided on the basis that the registration mark qualifies for cherished transfer. The Association accepts no responsibility for checking such qualification. A separate Request for Valuation form should be completed for each registration mark.
